# The Dan Maydan Prize in Nanoscience and Nanotechnology 2022

The **Dan Maydan Prize in Nanoscience Research**, at the Hebrew University's Center for Nanoscience and Nanotechnology, is awarded annually to an outstanding mid-career scientist, from Israel or abroad, for significant academic accomplishment in Nanoscience and Nanotechnology

The **10,000 USD** Prize will be awarded to the laureate at a ceremony in **spring 2022** at the Hebrew University of Jerusalem, Edmond J. Safra Campus, Jerusalem, Israel.

The prize laureate will be invited to Jerusalem for a week as a guest of the Hebrew University nanoscience community, giving academic lectures and seminars as well as engaging and interacting with faculty members, students and technical-scientific staff.
